3

Back at your door

Washed, dried, folded or pressed, and delivered back. You pay after your price is confirmed. Pickup and return included.

Supported living & aged care

Regular, reliable laundry assistance for people living independently, and for the providers and coordinators who support them.

Our registration status. LaundryKings is not currently a registered NDIS provider. We can be engaged directly by self-managed and plan-managed participants, and by support coordinators and providers purchasing on a participant's behalf. We cannot invoice the NDIA directly for agency-managed plans. If our registration status changes, this page is updated first. Ask us before you commit and we will tell you plainly what we can and cannot do.

How we work with participants and providers

- ✓ A consistent operator wherever possible, so the same familiar person attends
- ✓ Agreed collection day and time window, communicated in advance
- ✓ Clear written quotes before service starts — no variable surprise charges
- ✓ Itemised invoices suitable for plan managers and support coordinators
- ✓ Operators screened before their first job, including identity and background checks
- ✓ Notes on handling requirements recorded and applied every visit

Become a LaundryKings operator

Run laundry collections in your own suburb, as your own business, with our customers, brand and systems behind you.

What the arrangement is

You operate as an independent business with your own ABN. You use your own equipment and premises, choose your own hours, and decide how much work you take on. We route customers to you, handle the booking platform, brand and customer support, and pay you on an agreed revenue share.

- ✓ Your own ABN, your own business, your own hours
- ✓ Your own washing and drying equipment
- ✓ Jobs routed to you by suburb — no advertising or cold calling
- ✓ Booking, scheduling, invoicing and payment handled by our platform
- ✓ Onboarding, training and ongoing support provided
- ✓ No franchise purchase price and no territory buy-in

What you need

- ✓ An active ABN, or willingness to register one

Register your interest

We will be in touch to talk through the arrangement, answer your questions, and send you the agreement to review.

Do you have an ABN?

Yes, active ABN

▼

Hours per week you would like

- ✓ Reliable washing machine and dryer, and space to work
- ✓ A vehicle for collections and returns
- ✓ Willingness to complete identity and background screening
- ✓ Appropriate insurance — we will tell you exactly which policies before you start
- ✓ A smartphone for the operator app

Before you apply, read this. This is an independent contracting arrangement, not employment. That has real consequences for your tax, superannuation and entitlements, and whether it is the correct classification depends on how the work is actually performed. We will give you the full written agreement to review before you commit, and we recommend you take independent advice on it. We will not pretend this is a decision to make casually.

What we cannot tell you yet

Earnings figures

We are not publishing income claims. We have not been operating long enough to have real operator earnings data, and quoting a range we cannot evidence would be misleading. Once we have genuine figures from active operators, they will be published here with the basis they were calculated on.

What we can tell you is the revenue share percentage, the expected job volume in your suburb, and the current booking rate. We will give you all three in writing during the application conversation.

FAQ

[Home / About](#)

About LaundryKings

An Australian-owned laundry collection and delivery business built for South East Queensland.

What we are

LaundryKings collects your laundry, washes it properly, and brings it back. That is the whole proposition. We are not a laundromat you drive to, and we are not an app that disappears when something goes wrong.

We operate through a network of local operators — independent small businesses running collections in their own suburbs — supported by a central booking, routing and customer service platform. That means the person handling your washing lives near you, and the systems behind them are run properly.

Why we built it this way

Two things are broken in this category. Traditional laundries keep hours that working people cannot use, and publish no pricing at all. App-based services solved the convenience problem but treated the people doing the work as disposable, and most of them are gone.

We have built for the middle: published pricing, proper scheduling, and operators who are treated as business partners rather than units of throughput. A round only opens when there is someone good enough to run it.

How we are different

- **Published pricing.** Every rate is on this website. You never have to ring to find out what something costs.

- **Price confirmed before work starts.** Your operator weighs and counts, then confirms the figure. Nothing proceeds until you have it.
- **Your wash is your wash.** Processed on its own cycle, never combined with another household's items.
- **We say what we cannot do.** If we are not accredited for something, or not registered for something, we say so on the relevant page rather than letting you find out later.

Coverage

We are currently building out across Brisbane, Logan and South East Queensland, suburb by suburb. Our [coverage page](#) shows where we are live and where we are opening next.

[Home / Service Guarantee](#)

Our service guarantee

What we promise, what we will do if we get it wrong, and the limits of both — in plain language.

If the wash is not right

Tell us within **48 hours** of delivery and we will re-wash the affected items at no charge, collected and returned at our cost. If a re-wash will not fix it, we will refund the charge for those items.

If we are late

If we miss your agreed return date and have not contacted you in advance to reschedule, the delivery fee for that order is refunded automatically. You do not need to ask.

If something is damaged or missing

Report it within **7 days** of delivery. We will investigate using the item count and weight recorded at collection, and respond within 5 business days with an outcome.

Where we are at fault, we will settle the claim. Settlement is based on the item's current value taking reasonable account of age and condition, not its original purchase price. This is standard practice across the industry and we would rather state it here than argue about it later.

What is not covered

- Items where the manufacturer's care label was absent, illegible, or where following it caused the damage

- Pre-existing damage, wear or weakness not visible at collection
- Colour bleed from items not identified as at-risk at collection
- Items left in pockets — we check, but we cannot guarantee we catch everything
- Loss or damage to items we specifically advised against processing and you asked us to proceed with anyway

High-value items

Tell us before collection if any item is worth more than **\$250**. We will either handle it under a specific arrangement or tell you we are not the right service for it. Items above this value that were not declared at collection are covered only to the standard limit.

Insurance

Our operators are required to hold current public liability cover, and the specific policy type and minimum sum insured are set out in the operator agreement. We will confirm the exact cover in place on request — email us and we will send you the detail rather than a vague assurance.

Your rights under Australian Consumer Law

This guarantee sits **on top of** your rights under the Australian Consumer Law. Nothing on this page limits or replaces those rights. Our services come with guarantees that cannot be excluded under the ACL, including that services are provided with due care and skill. If you believe we have failed to meet those guarantees, you have remedies available to you regardless of what this page says.

How to make a claim

Contact us through the [contact page](#) with your order reference, the affected items, and photographs where relevant. We will acknowledge within one business day.

[Home / FAQ](#)

Frequently asked questions

If your question is not answered here, contact us and we will answer it — and add it to this page.

Do I need to be home for collection? +

No. Most customers are not. Leave your bag at an agreed spot — front door, gate, or wherever you nominate — and we will collect it. Once our messaging system is live you will get a notification when your operator is on the way. Items left unattended are at your risk until collected, which is set out in our terms.

How is the final price worked out? +

Your operator weighs and counts your items at collection, then confirms the exact price before any washing starts. The estimator on this site gives you an indicative figure so you are not going in blind, but the confirmed number always comes before the work.

Will my clothes be washed with someone else's? +

No. Every household's laundry is processed on its own cycle. Your items are tagged, kept together, and returned in your own bag. This is a firm operating rule, not a premium upgrade.

What happens if something is damaged or lost? +

Report it within seven days. We investigate using the count and weight recorded at collection and respond within five business days. Full detail, including what is and is not covered, is on our Service Guarantee page.

Do you handle NDIS participants? +

We can be engaged directly by self-managed and plan-managed participants and by coordinators purchasing on a participant's behalf. We are not currently a registered NDIS provider, so we cannot invoice the NDIA directly for agency-managed plans. Our Supported Living page sets this out in full.

How do I pay? +

Payment is processed once your final price is confirmed, before return delivery. Kings Club members are billed on their nominated cycle. Approved business accounts can be invoiced monthly.

Can I cancel Kings Club? +

What detergent do you use? +

A commercial-grade standard detergent by default. Sensitive-skin and fragrance-free options are available at no extra charge — just note it at booking. An eco formulation is available as a paid add-on. If you have a specific allergy, tell us and we will confirm exactly what will be used before we collect.

Can you separate lights and darks? +

Yes, and we do it as standard. Because they are washed on separate cycles this counts as two loads and is priced accordingly. It is shown on your quote so there is no surprise.

What is your turnaround time? +

Standard turnaround is confirmed at booking based on your service type and your operator's current capacity. Dry cleaning and bulky items take longer. We tell you the return date before you commit rather than promising a headline figure we cannot always hit.

Yes, any time, with notice before your next scheduled collection. No minimum term, no exit fee. Fees already paid for a completed period are not refunded.

Do you clean healthcare or clinical linen? +

Not currently. We do not hold AS/NZS 4146 accreditation, so we will not quote for work that legally requires it. If you need accredited healthcare laundry we will say so rather than take the job.

How do I become an operator? +

Through the Become an Operator page. It sets out what the arrangement is, what you need, and what we cannot yet tell you — including why we are not publishing earnings figures.

Privacy policy

How we collect, use, store and disclose your personal information.

Draft for legal review — not yet in force. Date of effect to be inserted on approval.

This policy explains how LaundryKings handles personal information in accordance with the **Privacy Act 1988 (Cth)** and the Australian Privacy Principles.

1. What we collect

- **Identity and contact details** — name, email, phone number, residential or business address.
- **Service information** — collection addresses, access instructions, laundry preferences, order history, item counts and weights.
- **Payment information** — processed by our third-party payment provider. We do not store full card numbers on our systems.
- **Communications** — enquiries, messages and records of our correspondence with you.
- **Technical information** — IP address, browser type and pages visited, collected when you use this website.
- **Operator applicants** — additionally, ABN, equipment details, availability, and the results of identity and background screening.

2. Why we collect it

- To provide the service you have booked and to contact you about it
- To process payments and issue invoices

- To route your job to an operator in your area
- To handle enquiries, complaints and claims
- To meet our legal and tax record-keeping obligations
- To improve our service and plan where we open next

3. Who we share it with

We disclose personal information only where necessary, to:

- **The operator assigned to your job** — your name, collection address, access instructions and service preferences. Operators are bound by confidentiality obligations in their agreement with us.
- **Specialist partner cleaners** — where your order includes dry cleaning.
- **Service providers** — payment processing, SMS and email delivery, cloud hosting and customer support tooling.
- **Plan managers or support coordinators** — only where you have engaged us through them, and only invoicing and service information.
- **Law enforcement or regulators** — where we are legally required to do so.

We do not sell personal information. We do not disclose it for third-party marketing.

4. Overseas disclosure

Some of our technology providers store data outside Australia. Where that is the case we take reasonable steps to ensure the recipient handles the information consistently with the Australian Privacy Principles. The specific providers and their locations will be listed here before this policy takes effect.

5. Security

We hold personal information in access-controlled systems and restrict access to those who need it to do their job. No system is perfectly secure. If a data breach occurs that is likely to result in serious harm, we will notify affected individuals and the Office of the Australian Information Commissioner as required under the Notifiable Data Breaches scheme.

6. Retention

We keep personal information only as long as needed for the purpose it was collected, or as required by law — including tax and business record-keeping obligations, generally five years. Unsuccessful operator applications are destroyed within 12 months unless you ask us to keep them on file.

7. Accessing and correcting your information

You may request access to the personal information we hold about you, and ask us to correct it. Contact us through the [contact page](#). We will respond within 30 days. If we refuse access we will tell you why in writing.

8. Marketing

We may send you service updates and offers by email or SMS. Every marketing message includes an unsubscribe method. Opting out of marketing does not stop operational messages about a booking you have made.

9. Cookies

This website uses cookies and similar technologies for essential functionality and analytics. You can block cookies in your browser, though some parts of the site may not work correctly.

10. Complaints

If you believe we have mishandled your personal information, contact us first and we will investigate. If you are not satisfied with our response, you may complain to the Office of the Australian Information Commissioner at oaic.gov.au.

11. Changes

We may update this policy. The current version is always published here with its date of effect.

[Home](#) / [Terms of Service](#)

Terms of service

The terms on which we provide laundry collection, cleaning and delivery services.

Draft for legal review — not yet in force. Date of effect to be inserted on approval.

1. These terms

These terms apply when you book any service from LaundryKings. By placing a booking you agree to them. If you do not agree, do not book.

2. Bookings and quotes

Prices shown on this website and in the online estimator are **indicative**. Your final price is determined after your items are weighed and counted at collection, and is confirmed to you before any cleaning begins. If you do not accept the confirmed price, your items are returned to you at no charge.

3. Collection and delivery

Collection and delivery occur within the window agreed at booking. Where you have authorised unattended collection or delivery, items left at an agreed location are at your risk from the point they are left until they are collected by us, and from the point they are delivered until you retrieve them.

If we cannot access your items at the agreed time through no fault of ours, a failed collection fee may apply. It will be disclosed to you before it is charged.

4. Your items

You confirm that items you submit:

- Are yours, or you are authorised to submit them
- Are suitable for the service selected
- Do not contain hazardous materials, biohazards, sharps, or contaminated waste
- Have been emptied of valuables, cash, keys and electronics

We are not liable for items left in pockets. We may refuse to process any item at our discretion, and will tell you why.

5. Care labels and risk

We process items in accordance with their manufacturer care labels. Where a label is missing, illegible or incorrect, we process according to reasonable professional judgement and are not liable for resulting damage. Where we assess an item as high-risk we will contact you and proceed only with your instruction, at your risk.

6. Payment

Payment is due once your final price is confirmed and before return delivery, unless you hold an approved account. Kings Club memberships are billed in advance on your nominated cycle. We may suspend service on overdue accounts after written notice.

7. Kings Club

Kings Club has no minimum term. You may pause or cancel with notice before your next scheduled collection; billing stops from that point. Fees already paid for a completed billing period are not refunded. We may change plan pricing with written notice before your next billing date, and you may cancel rather than accept the change.

8. Liability and claims

Claims must be made within the timeframes set out in our [Service Guarantee](#). Our liability for loss or damage is limited as described there, and is based on an item's current value taking reasonable account of age and condition.

Nothing in these terms excludes, restricts or modifies any guarantee, right or remedy you have under the **Australian Consumer Law** that cannot lawfully be excluded. Where our liability can be limited under the ACL, it is limited to resupplying the service or paying the cost of resupply.

9. Unclaimed items

Where we cannot deliver items and cannot contact you, we will hold them for 90 days and make reasonable attempts to reach you. After 90 days we may dispose of or donate them, and recover reasonable storage costs.

10. Our operators

Services are performed by independent operators engaged by us. We remain responsible to you for the service under these terms and under the Australian Consumer Law.

11. Suspension and termination

We may decline or discontinue service where items are unsuitable, where an account is overdue, or where an operator's safety is at risk. We will tell you why.

12. Governing law

These terms are governed by the laws of Queensland, Australia, and the courts of Queensland have jurisdiction.

13. Changes

We may update these terms. The version published here at the time you place a booking is the version that applies to it.
